ARMCHAIR TREASURE HUNT 1986

The Treasure has already been buried, deep in the woods, somewhere in the South-East. Cryptic clue sheets, containing some fiendishly difficult questions and puzzles, will be available in all LONDON and COBHAM kitchens in mid-December.

Anyone on-site, at a regional office, or abroad, wanting a copy to be sent to them, should contact

Paul Coombs (Cobham x 4016)
