

ARMCHAIR TREASURE HUNT

1992 - 93

WIN ONE HUNDRED POUNDS

The world's most difficult Christmas competition will be in the December issue of "Noticeboard". More than a mere quiz, the Armchair Treasure Hunt will tax the intelligence, resourcefulness and imagination of you, your family and your friends for the entire festive period. Ask anyone who has attempted the competition in previous years.

If you would like your own personal copy of "Armchair Treasure Hunt 92-93" then send an A4 self-addressed envelope (internal or external) to Paul Coombs at Speedwing Logica, Feltham. Personal copies will be sent out on the day that "Noticeboard" is due to be distributed.
